

Athletic Eligibility Policy

Washington Union High School

Eligibility Requirements

- **Semester Eligibility:** Athletes are required to have a 2.0 GPA to participate in sports. If an athlete does not have a 2.0 at the end of the semester, they will not be allowed to participate on an athletic team the following next semester.
- **6 week and 12 week Academic Suspension:** Athletes must have a 2.0 GPA to continue participating on an athletic team at 6 week grade report and 12 week grade report. If an athlete is below 2.0 GPA they can elevate their GPA to 2.0 or above and be removed from **Academic Suspension**. Teacher or administrator must provide proof of grade improvement, which is then confirmed by Athletic Director.
- **9th grade eligibility:** 9th graders will be eligible at the beginning of the school year, then assume the same process as 10th-12th student athletes from their initial 6 week grade report through the duration of high school competition.

Summer School: Athletes can successfully complete a summer school course or courses to improve their Spring semester GPA. The course must be comparable in content and units in order to replace a previously failed course, otherwise summer grades will be averaged in with other Spring grades.

Academic Tutorial Support

- Athletic Director will check 3 Week and 9 Week grade status of each current athlete. If an athlete has a D or F in one core class they will be assigned 2 hours of tutorial per week until they no longer have a D or F. The athlete must complete the hours in WU after school study program or with coach/teacher supervised tutorial.
- All in-season athletes with academic issues will be reported to their head coach and WU intervention specialists to provide additional support.
